President Chamberlain’s Message

July 16, 2011 Meeting “Tom Brokow called those Americans who took part in World War II “The Greatest Generation”. You have a chance to meet one of the individuals Brokow referred to at our next Chapter meeting.

Springfield resident John Heidinger is a World War II U.S. Navy veteran who was at the battle of Okinawa to support the First, Fifth and Sixth Marine Divisions invasion. John went on to see and take part in history when his ship the USS Chevalier (DD 805) was in Tokyo Bay along with the

Battleship Missouri for the Japanese surrender.

John, along with his wife Betty, will be attending our next meeting and John will speak about his wartime experiences and answer a few questions.

I had the privilege of accompanying John on the April 4th Honor Flight to Washington. Based on that experience, I can tell you this is one meeting you do not want to miss.

Color Guard A number of factors over the past several years have resulted in the fewer men participating in our Chapter Color Guard. The Springfield Chapter Color Guard participates in veteran’s activities, grave markings, DAR activities, CAR meetings and community parades. During two of our recent parades, The Chatham Homecoming Days and the Illinois State Fair we received the *Best of Show* and *Cream of the Crop* awards respectively.

We need more men to join the Color Guard in order to replace members who are no longer active. Our goal is to have two ranks of four or more that will march in upcoming parades. If you are interested in joining the Color Guard contact me for additional information.

If you have a uniform or period clothes but no longer participate in Color Guard activities and would like to donate or possibly sell your uniform to a prospective new Color Guard member let me know. Since we are a not for profit organization the donation of your uniform may be tax deductible.

Looking for A Few Good Men

In their recruiting advertisements the U.S. Marines say they are ‘*Looking for Few Good Men*’. Your Springfield Chapter is doing the same thing. We need you to step forward and help the chapter grow by becoming active on our committees and/or becoming a chapter officer. Please answer this call for **your** help. At present too few men are carrying the bulk of the workload of **your** chapter activities.”

*Sincerely, Toby Chamberlain
President Springfield Chapter*

The Springfield Chapter, and some of its individual members, and friends of the Chapter were honored at the ILSSAR Conference.

Springfield Chapter Newsletter

The Joel Willis Newsletter flag streamer was given to the Springfield Chapter for being **one of only four (4)** ILSSAR chapters who published chapter newspapers of at least four pages quarterly. Thanks to all members who submit articles and pictures for the paper.

Springfield Chapter Receives Presidential Citation

The Springfield Chapter was awarded the ILSSAR Presidential Unit Citation for being one of eleven (11) ILSSAR chapters with perfect attendance at all ILSSAR Board of Managers meetings. Our chapter members deserve a salute for all their work on behalf of Illinois Society of SAR.

Toby Chamberlain Receives Both the Bronze Color Guard and Bronze Good Citizenship Medals

Toby Chamberlain has been a member of the Springfield Chapter for four years. During that time he has been extremely active in chapter and ILSSAR events. Toby has been active with the Outstanding Citizenship award ceremonies and currently serves as President of the Springfield Chapter and serves on the ILSSAR Board of Managers.

Toby Chamberlain has served the Illinois Society as a Color Guard member and has participated in presenting the color at meetings and has marched in the Illinois State Fair parade.

Memorial Day Activities

On May 30, 2011 **Stephen Bradley** represented the Springfield Chapter during Memorial Day events at Camp Butler National Cemetery. Stephen wore his Revolutionary War naval (sailors) uniform and presented the colors at the ceremony.

Also on May 30, 2011, **Toby Chamberlain, Ron Clark, Bob Chestnut, Karl Reed** and **Harold Wright** attended the memorial service and grave marking for Civil War hero Leroy Key at Oak Ridge Cemetery. Television personality, Jerry Lambert acted as master of ceremonies while State Historian Tom Schwartz was the keynote speaker.

Leroy Key was being honored and his grave marked for his activities while at Andersonville Prison in organizing the Regulators in fighting, arresting, having a trial and punishing the infamous Raiders for abusing fellow prisoners.

Moweaqua Homecoming Parade

The Springfield Chapter Color Guard was active again June 4th during the Moweaqua Homecoming Parade. Aply assisted by their new recruit, Wm (Will) Turk, the Color Guard marched nearly one mile and a half in 88 degree temperatures.

As a special tribute to his patriot ancestor, Toby Chamberlain carried the flag used by the patriot side at the battle of Guilford Court House in North Carolina.

The Springfield Color Guard has been active for 10 years. The color guard was impressed with number of Moweaqua citizens standing and saluting when the flags passed by. No other town has ever come close to them in the 10 years of the Springfield Color Guard.

The color guard has both red and blue vests. Technically, the uniform the color guard wears are replicates of the uniform worn by George Washington's personal body guards and requires a red vest. During hot weather, the color guard elects not to wear their coats and they are sometimes thought to represent the British! Consequently, the Springfield Color Guard has adopted blue vests when marching without coats.

Springfield Chapter Members Attend DAR Dedication June 19th

Members of the Illinois Society and Springfield Chapter Color Guard participated in a parade preceding the dedication of a life-size bronze statue honoring women veterans. Others in the parade included female veterans from many wars.

The statue honors veterans from the Revolutionary War through the present. On one side of the statue is the likeness of Army helicopter pilot Major Tammy Duckworth, who lost both legs in Iraq when she was shot down flying a Black Hawk helicopter. The other side features the image of Molly Pitcher

(Mary Ludwig Hays) from the Revolutionary War era. A memorial wall built behind the statue is constructed of bricks engraved with names of women veterans from the Revolutionary War through today.

The statue is located on the grounds of the C.E. Brehm Library in Mt. Vernon, Illinois where the Illinois Society Daughters of the American Revolution houses its extensive genealogical library.

Illinois Society President Franz Herder brought greetings from the state SAR and was seated with other dignitaries. Major Duckworth was the keynote speaker.

Colonia Times - Expressions

Needless to say, personal hygiene during colonial times left much room for improvement. As a result, many women and men had developed acne scars by adulthood. The women would spread bee's wax over their facial skin to smooth out their complexions. When they were speaking to each other, if a woman began to stare at another woman's face she was told "mind your own bee's wax." Should the woman smile, the wax would crack, hence the term "crack a smile." Also, when they sat too close to the fire, the wax would melt and therefore the expression "losing face."

Early politicians required feedback from the public to determine what was considered important to the people. Since there were no telephones, TV's or radios, the politicians sent their assistants to local taverns, pubs, and bars who were told to "go sip some ale" and listen to people's conversations and political concerns. Many assistants were dispatched at different times. "You go sip here" and "You go sip there." The two words "go sip" were eventually combined when referring to the local opinion, thus we have the term "gossip."

In the late 1700s, many houses consisted of a large room with only one chair. Commonly, a long wide board was folded down from the wall and used for dining. The "head of the household" always sat in the chair while everyone else ate sitting on the floor. Once in a while, a guest (who was almost always a man) would be invited to sit in this chair during a meal. To sit in the chair meant you were important and in charge. Sitting in the chair, one was called the "chair man." Today in business we use the expression or title "Chairman" or "Chairman of the Board."
